S i r,

I am directed to state that ~~it is suggested to Government that~~ it is unnecessary for the District Boards a separate agency for disbursement of salaries for District Board - - - employees in the Taluk, such as Vaccinators and care-takers and watchmen of musafirkhanas and Travellers' Bungalows ~~may be employed, Government consider that this is unnecessary~~ in both cases. Either cheque may be issued by the District Board Presidents and these may be encashed at the ~~Taluk~~ Treasuries or the salaries may be remitted, if -- necessary, by money order by the Presidents.

I am also to state that under Section 71 of the District Boards' Regulation, items of revenue other than local cess, railway cess, and education cess may be collected by such agency as the District Board appoints in this behalf with the approval of Government and that if the District Board so desires, Government have no objection to the work of collecting the lease amounts in the case of markets being entrusted to the Revenue Department.
